
Employee Handbook

Welcome to Finding Technology

Welcome to Finding Technology! We are committed to creating innovative outdoor sports smart hardware. This handbook outlines our company policies, culture, and expectations. Our mission is to make life easy through intelligent imaging and AI-powered devices.

Our Mission and Values

Mission: To enhance outdoor experiences through innovative smart hardware. Values: Innovation, Quality, Customer Focus, Integrity, and Teamwork. We believe in creating products that make outdoor activities safer, more convenient, and more enjoyable.

Employment Basics

Finding Technology is an equal opportunity employer. We hire based on merit, qualifications, and business needs. Discrimination based on race, color, religion, gender, age, national origin, disability, or any other protected status is strictly prohibited.

Work Environment

We maintain a professional, respectful, and inclusive workplace. Harassment, bullying, or any form of hostile behavior is not tolerated. Employees are expected to treat colleagues, customers, and partners with dignity and respect.

Work Hours And Attendance

Standard Work Hours

Standard work hours are 9:00 AM to 6:00 PM, Monday through Friday, with a one-hour lunch break. Flexible scheduling may be available with supervisor approval. Core hours (10:00 AM - 4:00 PM) require employee availability for meetings and collaboration.

Attendance Requirements

Employees are expected to arrive on time and ready to work. If you cannot report to work due to illness or emergency, notify your supervisor as early as possible, preferably before your scheduled start time. Excessive absenteeism or tardiness may result in disciplinary action.

Remote Work Policy

Remote work arrangements may be available for eligible positions. Remote employees must maintain regular communication, attend virtual meetings, and meet performance expectations. Equipment and workspace requirements will be discussed with your supervisor.

Breaks and Rest Periods

Employees are entitled to a 30-minute unpaid lunch break and two 15-minute paid rest breaks (morning and afternoon). Breaks should be taken in designated areas and employees should ensure coverage for their responsibilities.

Leave Policy

Annual Leave

Full-time employees accrue 20 days of paid annual leave per year. Leave accrues monthly and can be taken with prior supervisor approval. At least two weeks notice is required for planned vacations. Unused leave may be carried over up to 5 days per year.

Sick Leave

Employees are entitled to 10 days of paid sick leave per year. Sick leave can be used for personal illness, medical appointments, or caring for immediate family members. Documentation may be required for absences exceeding 3 consecutive days.

Parental Leave

Primary caregivers are entitled to 12 weeks of parental leave following the birth or adoption of a child. Secondary caregivers receive 4 weeks. Leave may be taken consecutively or intermittently within the first year.

Public Holidays

Finding Technology observes all national public holidays. Employees working on public holidays receive compensatory time off or holiday pay as required by local regulations. Holiday schedule is published annually.

Leave Request Procedure

Submit leave requests through the HR portal or to your supervisor. Emergency leave should be communicated as soon as possible. Leave balances are tracked and available for review in the employee portal.

Code of Conduct

Professional Behavior

Employees must maintain high standards of professional conduct. This includes honesty, integrity, respect for others, and commitment to quality work. Personal behavior should reflect positively on Finding Technology.

Confidentiality

Protect confidential company information, trade secrets, customer data, and proprietary technology. Do not disclose sensitive information to unauthorized parties. Confidentiality obligations continue after employment ends.

Conflict of Interest

Avoid situations that conflict with company interests. Disclose any potential conflicts to your supervisor. Outside employment must not interfere with job performance or compete with Finding Technology.

Use of Company Resources

Company resources (computers, software, internet, phones) are for business purposes. Limited personal use is permitted if it does not interfere with work. Do not use company resources for illegal or inappropriate activities.

Social Media

When discussing Finding Technology on social media, identify yourself as an employee and clarify that views are your own. Do not disclose confidential information or engage in harmful commentary about the company, colleagues, or customers.

Performance Management

Performance Reviews

Formal performance reviews occur annually. Managers and employees discuss achievements, areas for improvement, and goal setting. Reviews impact compensation, promotion, and development opportunities.

Goal Setting

Employees work with managers to set SMART (Specific, Measurable, Achievable, Relevant, Time-bound) goals aligned with company objectives. Goals are reviewed and updated regularly.

Feedback Culture

We encourage continuous feedback. Employees should seek feedback proactively and provide constructive feedback to colleagues. Regular one-on-one meetings facilitate ongoing communication.

Performance Improvement

If performance falls below expectations, managers will provide clear feedback and support for improvement. Performance Improvement Plans (PIPs) outline specific goals, timelines, and support measures.

Workplace Safety

Safety Commitment

Finding Technology is committed to providing a safe and healthy workplace. Employees must follow safety procedures, report hazards, and participate in safety training.

Emergency Procedures

Familiarize yourself with emergency exits, evacuation routes, and assembly points. In case of emergency, follow instructions from floor wardens and emergency personnel. Report all incidents and near-misses.

Ergonomics

Proper workstation setup prevents injuries. Adjust chair, monitor, and keyboard for ergonomic comfort. Request an ergonomic assessment from HR if needed.

Health and Wellness

We support employee wellness through health insurance, wellness programs, and work-life balance. Utilize available resources to maintain physical and mental health.

Data Protection

Data Privacy Commitment

Finding Technology respects and protects personal data privacy. We comply with applicable data protection laws and regulations. Employee, customer, and partner data must be handled with care.

Personal Data Handling

Collect only necessary personal data. Use data only for specified business purposes. Do not share personal data with unauthorized parties. Secure personal data through passwords and encryption.

Password Security

Use strong, unique passwords for all systems. Change passwords regularly. Never share passwords or write them down. Report suspected password compromises immediately.

Device Security

Keep computers and mobile devices secure. Use screen locks, enable encryption, and install security updates promptly. Report lost or stolen devices immediately.

Grievance Procedure

Open Door Policy

Finding Technology maintains an open door policy. Employees are encouraged to discuss concerns with their supervisor, HR, or management. We address issues promptly and fairly.

Grievance Process

If you have a workplace concern: 1) Discuss with your supervisor, 2) If unresolved, escalate to HR, 3) Further escalation to management if needed. All grievances are documented and investigated.

Non-Retaliation

Retaliation against employees who raise good-faith concerns is strictly prohibited. Employees who experience retaliation should report it immediately to HR or management.

Confidentiality

Grievance proceedings are confidential to the extent possible. Information is shared only with those who need to know for investigation and resolution.
